LISTING OF EXECUTED TEST CASES

TEST CASE ID/SUMMARY	BUG ID
Inregistrare	
ORG-1270 : [Inregistrare] Verify that user is able to register using valid credentials	
ORG-1271 : [Inregistrare] Verify that user receives a confirmation message after successful registration	
ORG-1272 : [Inregistrare] Verify that user is unable to register with default values	
ORG-1276 : [Inregistrare] Verify that user is unable to register with an email that has already been used	
ORG-1278 : [Inregistrare]Verify that user is unable to register without checking the form validation checkboxes	
ORG-1282 : [Inregistrare] Verify that user is unable to register with invalid email and valid name and password	
ORG-1283 : [Inregistrare] Verify that user is unable to register with a password length less than 6 characters	
ORG-1285 : [Inregistrare]Verify the registration is blocked if the values from the two Passw fields don't match	0055415
ORG-1288 : [Inregistrare] Verify that user is unable to register with valid name and email and blank password	
ORG-1290 : [Inregistrare] Verify that user is unable to register with blank email and valid name and password	
ORG-1293 : [Inregistrare] Verify that user is unable to register with blank name and valid email and password	
ORG-1297 : [Inregistrare] Verify that user is not able to register an account using a weak password	0055416
ORG-1298 : [Inregistrare] Verify that user receives a confirmation email after successful registration	0055417
Autentificare	
ORG-1299 : [Autentificare] Verify that user is able to login using valid email and valid password	
ORG-1300 : [Autentificare] Verify that user is unable to login with a valid email and an invalid password	
ORG-1301 : [Autentificare] Verify that user is unable to login with an invalid email and a valid password	
ORG-1302 : [Autentificare] Verify that user is unable to login with default values	
ORG-1303 : [Autentificare] Verify that user is unable to login with invalid credentials	
ORG-1304 : [Autentificare] Verify that user is unable to login with a valid email and blank password	
ORG-1305 : [Autentificare] Verify that user is unable to login with an blank email and a valid password	
ORG-1306 : [Autentificare] Verify if password is case sensitive	
Logout	
ORG-1307 : [Logout] Verify that user can successfully logout	0055418
Ai uitat parola	
ORG-1308 : [Ai uitat parola] Validate that the "Ai uitat parola?" hyperlink is working	

ORG-1309 : [Ai uitat parola] Verify that user is able to reset password with a valid registered email	
ORG-1310 : [Ai uitat parola] Verify that user cannot reset password with blank email	
ORG-1311 : [Ai uitat parola] Verify that user cannot reset password with an invalid email	
Contul meu	
ORG-1312 : [Contul meu] Verify that user is able to access his account	0055419
ORG-1313 : [Contul meu] Verify that user is able to change his password from his account	
ORG-1314 : [Contul meu] Verify that user is not able to change his password to a weak one from his account	0055416
ORG-1315 : [Contul meu] Verify that user is not able to change his password with the same one used to log in	0055416
ORG-1316 : [Contul meu] Verify that user is not able to add invalid personal data from his account	0055420
ORG-1317 : [Contul meu] Verify that user isn't able to add invalid delivery address from his account	0055420
Cautare	
ORG-1318 : [Cautare] Verify that user is able to use the search option with a valid item name	0055469
ORG-1319 : [Cautare] Verify that user is not able to initiate a search with a default value or a blank field	
ORG-1320 : [Cautare] Verify that user is able to use the search option with a partial item name	0055429
ORG-1502 : [Cautare] Verify that user can see all relevant search results for his search query	0055470
Catalog produse	
ORG-1321 : [Catalog produse] Verify that user is able to navigate to desired products category page	
ORG-1322 : [Catalog produse] Verify that user is able to select main product category from the products menu	
ORG-1323 : [Catalog produse] Verify that the user can see relevant information about the desired products	0055430
ORG-1324 : [Catalog produse] Verify that the user can access desired product page from the listing products	
Cos	
ORG-1325 : [Cos] Verify that user can add a single product to shopping cart	
ORG-1326 : [Cos] Verify that user can add multiple items to the shopping cart	
ORG-1327 : [Cos] Verify that user can update the product quantity from shopping cart	
ORG-1328 : [Cos] Verify that user cannot update the product qtty from shopping cart with a non-integer value	0055431
ORG-1329 : [Cos] Verify that user can see shopping bag icon updated with the total items quantity	0055432
ORG-1330 : [Cos] Verify that user is able to remove one item from shopping cart	
ORG-1331 : [Cos] Verify that user is able to remove all items from shopping cart	

ORG-1332 : [Cos] Verify if user can check how the bag is displayed with no items	
ORG-1333 : [Cos] Verify that user has the option to empty the cart from shopping cart	0055433
ORG-1334 : [Cos] Verify that user is able to update cart from the shopping cart page	0055434
ORG-1335 : [Cos] Verify that the user can update the product qtty from cart using the "-" and "+" buttons	
ORG-1336 : [Cos]Verify if user is able to see the products added to cart after he closes and reopens the app	
ORG-1337 : [Cos] Verify that the user cannot add an excessively large quantity of items to the shopping cart	0055435
ORG-1338 : [Cos]Verify that user can't add to the cart a qtty of product that exceeds the available stock limit	0055436
ORG-1339 : [Cos] Verify that the user cannot add an out-of-stock item to the shopping cart	
ORG-1340 : [Cos] Verify if user can go to "Finalizare comanda" from cart	
ORG-1341 : [Cos] Verify if user can see "Total cos" on shopping cart page	
ORG-1342 : [Cos] Verify if user can see delivery information on shopping cart page	
Contact	
ORG-1344 : [Contact] Verify that user is able to send a message with valid data through the "Contact" form	
ORG-1345 : [Contact]Verify that user is not able to send a message with invalid data through the "Contact" form	0055420
ORG-1348 : [Contact] Verify that user is able to access the website's social media listed pages	0055437
ORG-1350 : [Contact] Verify that user is able to access the website's contact information	
Ajutor	
ORG-1353 : [Ajutor]Verify user is able to access complete information about return shipping products and refund	
ORG-1355 : [Ajutor] Verify that user is able to access accurate information about delivery conditions and costs	
ORG-1357 : [Ajutor]Verify user is able to access "Politica de confidentialitate" from the dialog pop-up box	0055439
ORG-1359 : [Ajutor] Verify that user is able to access the "Politica de cookie" from the dialog pop-up box	
Finalizare comanda	
ORG-1425 : [Finalizare comanda] Verify that user can place an order not being logged into an account	
ORG-1426 : [Finalizare comanda] Verify that user can place an order being logged into his existing account	
ORG-1428 : [Finalizare comanda] Verify that user is unable to place an order with empty mandatory fields	
ORG-1430 : [Finalizare comanda] Verify that user is able to add a new delivery address from checkout page	
ORG-1431 : [Finalizare comanda] Verify that user is able to add new billing information	
ORG-1432 : [Finalizare comanda] Verify that the user cannot place an order with	0055461

invalid credentials	
ORG-1433 : [Finalizare comanda] Verify that user is redirected to a payment page when checks card payment	
Compatibility testing	
ORG-1367 : [Compatibility] Verify that the user can successfully place an order from different browsers	
ORG-1368 : [Compatibility] Verify that the user can successfully place an order from different devices	0055418
Security testing	
ORG-1366 : [Security] Verify the user is able to see website's connection is secured	
Usability testing	
ORG-1514 : [Usability] Verify that the use of "*" mark of mandatory fields is explained	
ORG-1509 : [Usability] Verify that webpage can be resized an keeps it's structure when zooming in and out	0055474
ORG-1510 : [Usability] Verify that all input fields have a placeholder or a label	
ORG-1513 : [Usability] Verify that user can go to the website's homepage	0055475
SMOKE	
ORG-1517 : [Inregistrare] Verify that user is able to register using valid credentials	
ORG-1519 : [Autentificare] Verify that user is able to login using valid email and valid password	
ORG-1521 : [Contul meu] Verify that user is able to change his password from his account	
ORG-1522 : [Catalog produse] Verify that user is able to select main product category from the products menu	
ORG-1524 : [Cos] Verify that user can add multiple items to the shopping cart	
ORG-1525 : [Cos] Verify that user is able to remove one item from shopping cart	
ORG-1527 : [Cos] Verify if user can see "Total cos" on shopping cart page	
ORG-1528 : [Finalizare comanda] Verify that user can place an order being logged into his existing account
